

Date: 13th Oct 2024

Number:

Dear Mr. Sohel Bhola,

It is really a source of satisfaction and happiness that we were able to get the approval of POGC and the oil company qualification review committee in the shortest possible time and receive the official letter of approval. I congratulate you and this is the official beginning of me and my company's cooperation with you and I hope we have a successful and bright future in the Iranian market. It should be mentioned that Mr. Jokari is my colleague with the position of CEO and it should be mentioned that my position is the chairman of the board of directors. Below is the translation of the text of the POGC letter as follows:

“

Mr. Engineer Jokari

Respected Managing Director of Opal Tejarat Nik Dayan

Subject: Approval of Bhola Engineers PVT. LTD regarding all types of valves for oil and gas industries

Greetings and respect

Turning to the above issue and returning to letter No. 1403-0046 dated 7/11/1403, I inform your Excellency that based on the investigations carried out and the issue raised in the Committee for Reviewing the Qualification of Manufacturers of the Ministry of Petroleum, the above company in the field of manufacturing the following valves Confirmation:

1. Ball valve
2. Double Block & Bleed valve
3. Gate & Globe Valve
4. Monoflange Valve
5. Control Valve
6. MOV Valve

Amir Farzan Fazelian

Implementation of the development plan for phases 22, 23 and 24

“

OPAL TEJARAT
NIK DAYAN

So with this letter means that from POGC as the biggest branch of National Oil Company of Iran, we have permission of participating and involving in all of projects .

Best regards

Mojtaba Shahsavand

Chairman of the Board

Mojtaba
